JEREMY GUTHRIE

2015 WORLD SERIES CHAMPION, KC ROYALS

One of the highest profile players ever to play in the Australian Baseball League, Jeremy Guthrie will be bringing his immense resume to the Melbourne Aces for the second half of the season. A 12-year veteran in the big leagues, Guthrie's biggest moment came for the Kansas City Royals in the 2014 World Series, where he was given the honour of starting in game four and game seven, an honour which Guthrie describes as a 'surreal moment'.

AARON WHITEFIELD

SILVER MEDAL, 2016 U23 WORLD CUP

After spending the majority of his underage years on a softball diamond, Aaron Whitefield has found his feet on the baseball diamond and cemented himself as a player of the future in the green and gold. Whitefield has been outstanding in the leadoff role for the Brisbane Bandits this season. Whitefield's play at the 2016 U23 World Cup was stellar, as he hit .350 with nine RBIs from 14 hits.
